## LESS WASHINGTON SPENDING IS BEST METHOD TO SHRINK DEFICIT, GROW THE ECONOMY, CORNYN SAYS

*U.S. Sen. John Cornyn, a member of the Senate Budget Committee, made the following statement Tuesday regarding the midterm budget update from the Office of Management and Budget:*

“Although there are encouraging signs that the economy is starting to improve, these deficit numbers are sobering. I hope my colleagues will take note of the deficit and rein in unprecedented levels of new spending so that our economic recovery will have a chance to succeed before being drowned in red ink.”
